HEAD / ENDOSCOPIC SINUS AND SKULL BASE SURGERY HANDS-ON COURSE

20-M7

COURSE COORDINATOR >> Pedro Escada, MD, PhD

COURSE PRESENTATION

This hands-on course is designed to promote the learning of the latest surgical techniques and the development of surgical skills in endonasal and skull base endoscopic techniques, by allowing attendees to perform in cadaver specimens all these techniques with adequate surgical instruments and under experienced supervision.

The course is focused on the acquisition of skills in both basic and more advanced endoscopic sinus and skull base techniques, emphasizing prevention and treatment of surgical complications and their medicolegal implications.

The course fosters a multidisciplinary collaboration among different specialists in the endoscopic treatment of skull base pathologies. Nowadays, there is a consensus that a good practice in endoscopic skull base surgery implies that surgeries are performed by a multidisciplinary team with both ENTs and neurosurgeons.

LEARNING OBJECTIVES >> KNOWLEDGE AND SKILLS TO DEVELOP

- 1 To promote the knowledge of the surgical anatomy of nasal cavities, paranasal sinuses, skull base, orbit and cranial cavity with relevant implications in endoscopic techniques.
- 2 To train participants with endoscopic surgery tools and equipment.
- 3 To observe and assist of exemplar endoscopic sinus and skull base surgery techniques during live surgery.
- 4 To execute, on cadavers and under supervision, the basic and more advanced endoscopic approaches to the nose, paranasal sinuses, orbit, lacrimal system, skull base and cranial cavity.
- 5 To accelerate endonasal endoscopic surgery learning curve.
- 6 To promote an efficient, complication free surgical technique.

TARGET AUDIENCE

ENT residents and specialists and neurosurgeons

ADMISSION CRITERIA

- >> Academic background in the mentioned specialties.
- >> CV and motivation letter

ATTENDANCE REQUIREMENTS

100% attendance is mandatory for issuing attendance certificate and CME credits and/or ECTS

MAX. ATTENDEES

- >> 20

HANDS-ON COURSE

20-M7

AGENDA

2020 / DECEMBER

DEC 3RD

8:00 am - 6:00 pm

@ Hospital Egas Moniz

- >> Endoscopic anatomy of the nose, paranasal sinuses and skull base
- >> Imaging of the nose, paranasal sinuses and skull base
- >> Instrumentation and equipment for endonasal and skull base endoscopic techniques
- >> Surgical indications on endonasal and skull base endoscopic techniques
- >> Complications of the endonasal and skull base endoscopic techniques
- >> Informed consent in endonasal and skull base endoscopic techniques
- >> Surgical approach to the pterygopalatine fossa
- >> Endoscopic treatment of the meningoencephalitis herniations and CSF leaks
- >> Endoscopic orbital Decompression
- >> Endoscopic transnasal approach to the sella turcica
- >> Endonasal endoscopic Dacryocystorhinostomy
- >> Postoperative care in endonasal and skull base endoscopic techniques
- >> Safety checklists in endonasal and skull base endoscopic techniques

DEC 4TH

8:00 am - 6:00 pm

@ Hospital Egas Moniz

- >> Surgical cases with presentation and discussion and surgical videos

DEC 5TH

8:00 am - 6:00 pm

@ Nova Medical School (Campo de Santana)
Anatomical Theatre

- >> Cadaver Lab
Training sessions
- >> Course assessment

CREDITS >> 2 ECTS

"The Head: Endoscopic sinus and skull base surgery hands-on course, Lisbon, Portugal, 03/12/2020-05/12/2020, Lisbon, Portugal, has been accredited by the European Accreditation Council for Continuing Medical Education (EACCME®) with **24 European CME credits** (ECMEC®s).

Each medical specialist should claim only those hours of credit that he/she actually spent in the educational activity."

This event is compliant with the MedTech Europe Code of Ethical Business Practice

PRICE >> 2.000 €

INCLUSIONS AND EXCLUSIONS IN PRICE

The price published for each course includes teaching fees, space rental, certificate of attendance, and materials used during the course. The price of the course doesn't include hotel accommodation, lunches, and dinners on course days, nor any other items unless specifically mentioned. Prices of courses published by AHED are exempted of VAT. Other items priced by AHED apart from courses may however include VAT.

APPLICATION, ADMISSION AND REGISTRATION

When applying for a course at AHED – Advanced Health Education, the applicant subjects personal and professional data that will be verified and assessed to check that admission criteria for that specific program are met. Once an application is approved, registration in the course is admitted and will require payment of the price published for the course.

APPLICATION FEES

Application fees are as follows:

- 100 € for courses priced above 1000 €
- 50 € for courses priced below equal to 1000 €

Application fees are non-refundable.
